SYNOPSIS:	<p>Mrs. Fazilet and her daughters are a modest family living an ordinary life in Istanbul. Throughout her life, Mrs. Fazilet has always wanted to be rich, but she never reached her dream. After the death of her husband, she has been living in poverty with her two daughters. Since she raised her daughters in difficulties, Mrs. Fazilet is determined to use them to reach the wealthy life she is dreaming of. Her biggest supporter on this path is her little daughter Ece. Believing that Ece will be famous one day, Mrs. Fazilet drags her from place to place in order to use her beauty to reach prosperity and wealth.</p> <p>Hazan, who has experienced the pain of her father’s death, hides her feelings from everyone in order to not be harmed. She has a hard temperament toward her mother, who glorifies her beauty. As she blames her mother for her father’s death, Hazan cannot make peace with her mother. Therefore, she is the biggest obstacle to Mrs. Fazilet’s dreams of becoming rich through using her daughters’ beauty and youth.</p> <p>One day, Mrs. Fazilet and her daughter’s destiny intersects with a very respectable and wealthy family, which is the Egemen family. This family lives in one of the famous mansions of the Bosphorus, which Mrs. Fazilet admires. The entry of the Egemen family into their life will irreversibly change not only Ece’s life, but also Hazan’s future, who has been platonically in love with Sinan Egemen for a long time. A new life is about to begin for Mrs. Fazilet and her daughters, as she gets closer to her dream.</p>
