<b>SYNOPSIS:</b>	<p>Zuhal, a famous personal development expert and best-selling author, is admired for her modern and sophisticated image. However, behind her public success lies a life of deep sacrifice and loneliness. After her mother's tragic death when she was just 17, Zuhal was forced to step into the role of caretaker for her three younger sisters and their controlling father, Çetin. For years, she gave up her dreams, living solely to fulfill her father's demands and provide for her family, never finding happiness of her own.</p> <p>As her sisters grow older and her one of her youngest siblings prepares for marriage, Zuhal's deep sense of isolation becomes harder to ignore. Her loyal assistant, Eylem, encourages her to take a bold step and explore love by joining a dating app, where she meets Tayfun, a man who awakens feelings she thought were long forgotten. Zuhal falls in love for the first time, but this new chapter in her life is threatened by her father's possessive control. To Çetin, Zuhal is the embodiment of his late wife, and the idea of her leaving to pursue her own life feels like betrayal.</p> <p>Faced with her father's suffocating hold and the possibility of losing her newfound love, Zuhal stands at a crossroads. She must decide whether to continue living in the shadow of her past or to break free and claim the happiness she has long been denied. This emotional journey pushes Zuhal to confront old wounds and challenge the vow that has kept her imprisoned for decades.</p>
