SYNOPSIS:	<p>Dilara, Cüneyt, Nazlı, and Ayhan decide to go camping for a few days to have a good time. Dilara is in a relationship with Cüneyt, and Nazlı is with Ayhan. The four young people set out for their camping trip. When they arrive at the campsite, they discover that Dilara's ex-boyfriend, Tarık, is also there. Tarık, unable to forget his ex-girlfriend Dilara, has a big argument with Cüneyt that night. When they wake up in the morning, Cüneyt is covered in blood, and his girlfriend Dilara has been murdered. As Cüneyt tries to understand what happened, he is surrounded by police officers and taken into custody by a team led by Commissioner Cevat, as he is the prime suspect in Dilara's murder.</p> <p>According to the police, Cüneyt had an argument with Dilara due to jealousy and killed her. However, Commissioner Cevat feels that something isn't right about this case. While Cüneyt strongly denies killing Dilara, everyone believes that he is the one who murdered her. Over time, Commissioner Cevat begins to realize that Cüneyt is telling the truth. He discovers that, just like him, Cüneyt suffers from temporal lobe epilepsy, and as a result of experiencing déjà vu, he wakes up every day to the same morning of the murder. It becomes crucial for Cevat to prove Cüneyt's innocence. His goal is to prove Cüneyt's innocence and catch Dilara's real killer.</p>
